

NEGANA H&I Sub-Committee Meeting Information

H&I orientation begins at 10:00 am at ASC. Sub-Committee meetings begin at 11:00 am at ASC. All H&I interested volunteers need to attend orientation before being entering a facility. In some cases, an onsite orientation can be held if there are enough volunteers in a specific area able to attend orientation at ASC. It is strongly suggested that volunteers attend orientation at ASC and a Sub-Committee meeting as well.
