

## **NEGANA H&I Sub-Committee Meeting Information**

H&I Orientation Begins at 10:00am of ASC Sub-Committee meetings Begins at 11:00am of ASC.

All H&I interested volunteers need to attend orientation. Before being able to go into a facility. In some cases I as Chair would be will to do a onsite orientation if there is enough volunteers In an area unable to attend area. But it is strongly suggested that volunteers attend an orientation At ASC and maybe a Sub-Committee meeting as well.
